Single Student Housing facilities are close to most classes, have live-in student staff members, and are monitored by the Campus Security Department. Student staff members serve residents as referral agents to Campus resources, mediators in resolving conflicts, and friends as they build rapport with residents and facilitate an array of social and educational programs. The Housing and Resident Life Office endeavors to provide a safe, fun, and educational environment conducive to student success.

Family Student Housing at Dixie State University is available to married couples (with or without children) and single parents with children. Campus Security personnel monitor the Family Student Housing areas, and a Resident Manager works closely with residents to address facility issues and other concerns germane to family community living.
