The Athletic Department at Dixie State is a member of the National Collegiate Athletic Association (NCAA) Division II level. We strive to help student-athletes define, shape, and achieve educational and life goals, contributing to the University’s personalized and excellent teaching in a learning environment where all student-athletes can become passionate about their individual educational and athletic endeavors. Athletic teams and programs are designed to fuel students’ desire to succeed on their various fields and courts of play, excel in the classroom while progressing toward achieving academic success, all while becoming and serving as outstanding and exemplary members of the community. In essence, we strive to build champions in the classroom, in athletic competition, in the community, and in life.

The 2018-19 school year will mark DSU’s first year as a member of the Rocky Mountain Athletic Conference (RMAC). Further, the athletic department won the prestigious Pacific West Conference Community Engagement Award in 2009, 2011, 2012, and...
2016 recognizing the outstanding service performed by the student-athletes, coaches and administrators in the southern Utah community, as well as the 2013 and 2014 NCAA Award of Excellence for Community Engagement.
