## Credit by Examination

Utah Tech University awards credit for competencies as measured by standard examinations, such as the Advanced Placement program (AP) and the College Level Examination Program (CLEP). Specific exams, subject areas accepted, the minimum score requirements and the amount of credit granted are posted below.

Conditions for receiving credit by examination:

- Students must be admitted and currently enrolled at Utah Tech University to receive any credit by examination.
- A fee is assessed for posting credit by examination to a transcript.
- Credit may not be received more than once for the same course.
- If a student has ever received a grade, including a "W", in a course for which credit by exam is awarded, the credit by exam option is no longer available. Credit by exam cannot replace a course grade.
- All credit received for examinations is graded " P " (Pass).
- Credit earned by exam can be used to fulfill General Education requirements as appropriate.
- Utah Tech will award no more than a combined maximum of 30 total credits for the following:
- Advance Placement credit (AP)
- College Level Examination Program credit (CLEP)
- Foreign Language Achievement Testing Services credit (BYU FLATS)
- International Baccalaureate credit
- Dantes Subject Standarized Tests (DSST)

## Advanced Placement Credit

Advanced Placement (AP) Credit is awarded to students who complete high school advanced placement courses and successfully pass the AP exam with a score of three (3) or higher according to guidelines found in Utah Board of Regents policy R470. The credits earned will be graded " P " and will not be included in GPA calculations. Credit is posted to the student's transcript when official AP exam results are submitted to the Registrar's Office with a receipt from the Cashier's Office showing payment of the posting fee. AP exam credit cannot be accepted if the student has ever received a grade in that course.

AP exam scores and course(s)/credits are awarded as follows:

## CLEP Credit

CLEP Credit is awarded based on proficiency demonstrated by a CLEP exam score. A student will receive ungraded course credit, which may fulfill General Education requirements or provide elective credits, using the following procedures and guidelines:

- After a CLEP exam is taken, the exam score is assessed, and ungraded credit is granted according to statewide and departmental agreements and Utah Tech policy.
- This credit is posted to the student's transcript when CLEP test results are submitted to the Registrar's Office with a receipt from the Cashier's Office for the posting fee.
- CLEP exam credit cannot be accepted if the student has ever received a grade in that course (including a 'W').

The minimum level of CLEP test proficiency and course(s)/credits are awarded as follows:
