**Sociology (SOC)**

**Courses**

**SOC 1010. Introduction to Sociology. 3 Hours.**
Fulfills Social & Behavioral Sciences General Education requirement and is an approved Global and Cultural Perspectives course. Teaches what sociology is, what a sociologist does, and how sociology is applied, including the study of cultures, socialization, stratification, religion, families, organizations and social change through lectures, guest speakers, film, writing assignments, and exams. FA, SP, SU.

**SOC 1010A. Honors Introduction to Sociology. 3 Hours.**
Honors course. Fulfills Social & Behavioral Sciences General Education requirement and is an approved Global and Cultural Perspectives course. Teaches what sociology is, what a sociologist does, and how sociology is applied, including the study of cultures, socialization, stratification, religion, families, organizations and social change through lectures, guest speakers, film, writing assignments, and exams. Honors designation indicates greater student interaction and a higher level of inquiry. Prerequisite: Admission to the DSU Honors Program or program director permission. SP.

**SOC 1020. Social Problems. 3 Hours.**
Fulfills Social & Behavioral Sciences General Education requirement and is an approved Global and Cultural Perspectives course. Studies contemporary social issues dealing with crime, sexuality, drug abuse, violence, and families, in addition to larger social problems such as war, poverty, race and ethnic relations, population and the environment through lectures, guest speakers, film, writing assignments, and exams. FA, SP.

**SOC 1200. Sociology of the Family. 3 Hours.**
Fulfills General Education Social & Behavioral Sciences requirement. Teaches what sociology is and how sociology is applied to the study of families, covering many different aspects of including families through history, gender roles, love, sexuality, courtship, marriage, parenting, children, racial-ethnic families, families and work, family violence, separation and divorce, and aging in the family through lectures, guest speakers, film, writing assignments, and exams. Offered based on sufficient student need.

**SOC 3010. Stratification and Inequality. 3 Hours.**
Examines theories of and research concerning explanations of the causes of social, economic, and political stratification and inequality, including consequences of inequality for individuals and groups. This course will examine the roles of race, gender and class in systems of stratification and inequality. Prerequisite: SOC1010 (Grade C or higher). FA, SP.

**SOC 3020. Social Psychology. 3 Hours.**
Open to all students. Course covers sociological social psychological perspectives such as phenomenology, exchange, rational choice, dramaturgy, ethnomethodology, and symbolic interactionism. Prerequisite: SOC 1010 (Grade C or higher). FA.

**SOC 3041. Sociology of Rock Music. 3 Hours.**
Introduces students to the cultural and structural aspects of rock music as an art world. As such, it will examine the music as the ongoing creation of people in many parts of society: artists, engineers, club owners, audience members, and critics to name just a few. The course will also look at visual, lyrical, and musical codes that define and distinguish rock music from other genres of music. Historical and cross-cultural examples of rock will include studies from various time periods and countries as well as how race, class, and gender are integral to an understanding of this art form. SP (odd).

**SOC 3111. Research Methods. 3 Hours.**
Introduces the research methods and designs by which Sociologists father and analyze data, including the common research methods of interviews, surveys, and observation, among others. Prerequisite: SOC 1010. SP (beginning 2014).

**SOC 3112. Social Statistics. 3 Hours.**
Students will learn to use and interpret statistical analysis. Includes descriptive statistics (i.e., frequency distributions, graphs, central tendency, variability), examination of relationship between variables (bivariate regression, correlation), and a discussion of inferential statistics (t-test, ANOVA, chi-square). Prerequisites: SOC 1010; AND, MATH 1040 (all Grade C or higher). SP.

**SOC 3113. Survey Research and Data Analysis. 3 Hours.**
Survey Research is designed to prepare students to understand, conduct, and analyze surveys and present the findings. This course will be particularly useful to assist students who are considering, planning or currently working on research projects with a survey component. Upon the completion of the course, students should be able to decide whether and when surveys are appropriate means of data collection, have a good idea of how to put together a survey, conduct basic quantitative analysis of survey data, and report the findings. Prerequisite: SOC 1010 (Grade C or higher). SP.

**SOC 3114. Qualitative Research Methods. 3 Hours.**
Introduces students to the many types of qualitative research methods within sociology. Students will learn about and actively administer field work and interview techniques among other types of methods. The collection, analysis, and interpretation of gathered data will be emphasized. Course offered in rotation. Consult class schedule. Prerequisite: SOC 1010 (Grade C or higher).

**SOC 3140. Sociological Theory. 3 Hours.**
Examines the variety of perspectives and theories unique to Sociology as a discipline which provide differing perspectives of social structure, culture, and interaction. Prerequisite: SOC 1010. FA.
SOC 3370. Gender in Contemporary Society. 3 Hours.
Fulfills Social & Behavioral Sciences General Education requirement and is an approved Global and Cultural Perspectives course. Introduction to the core sociological concepts of gender in contemporary society. It explores what sociologists mean by the concept of gender and how they observe and measure it. Furthermore, it gives students an understanding of the centrality of gender to the sociologist's perspective of social life; as well as underscoring the ways gender can be maintained and can also be organically and forcefully changed within society and the interactive effects they have on peoples' lives. Prerequisite: SOC 1010 (Grade C or higher).

SOC 3435. Globalization. 3 Hours.
Examines and critiques the historical origins, economic and technological foundations, institutional arrangements, ideological underpinnings, collective movements, and controversial outcomes of 'transnationalism,' and 'globalization.' Sociological analysis emphasizes macro-level institutions that shape globalization and social conflicts arising from its effects. Prerequisite: SOC 1010 (Grade C or higher). FA (odd).

SOC 3550. Organizations in Society. 3 Hours.
Examines the culture and structure of formal organizations: organizational forms; bureaucracies; coordination of work; organizational control, autonomy and control, culture, conflict, diversity, and change. Sociological theories about modern organizations and the impact of new technologies will be examined. Prerequisite: SOC 1010. FA.

SOC 3560. Deviance and Social Control. 3 Hours.
Introduces the various perspectives and theories dealing with deviance and social control, including an examination of the ways in which people perceive and deal with what are seen as cultural norms. Prerequisite: SOC 1010. SP (beginning 2014).

SOC 3630. Sociology of Racial & Ethnic Relations. 3 Hours.
Fulfills Social and Behavioral Sciences General Education requirement and is an approved Global and Cultural Perspectives course. Introduces students to the core sociological concepts of race and ethnic relations in contemporary society. Explores what sociologists mean by the concept of multiculturalism and how they observe and measure it. Furthermore, it gives students an understanding of the centrality of race and ethnicity to the sociologist's perspective of social life; as well as underscoring the ways minority status can be maintained and can also be organically and forcefully changed within society and the interactive effects they have on peoples' lives. Prerequisite: SOC 1010 (Grade C or higher).

SOC 4910. Senior Capstone. 3 Hours.
This course fulfills the Sociology capstone requirement to earn a BA/BS degree. In this course, students will undertake a well-defined research project involving primary and/or secondary data analysis. The final product for the capstone will be a paper of "publishable quality" combined with an end-of-semester presentation. Prerequisites: SOC 1010, SOC 3111, SOC 3112, SOC 3140 (all Grade C or higher), and Senior standing. SP.
