

# Placement Requirements

An academic advisor (<https://advisement.dixie.edu/advisors>) can help a student with placement questions at any time. Dixie State University accepts the ACT, SAT, and Accuplacer college placement tests. ESL courses may have different placement exams. The following General Education courses have placement score requirements. If your score is lower than these requirements, you have two options:

- Retest. You can take the Accuplacer College Placement Test at the DSU Testing Center. You can only take each portion of the Accuplacer once in a 30-day period.
- Take a developmental prerequisite course(s). Successful completion (Grade C or higher) of the required course fulfills placement requirement. See following page for eligible courses.
