Program Description
Core to our success is our faculty. Unlike large research institutions, the mission of the Udvar-Hazy School of Business focuses on teaching. The result is that DSU students have greater access to full-time faculty than at most major universities. Almost all of our full-time business school faculty hold earned doctorate degrees, most have extensive business experience, and all maintain their professional competencies through ongoing research and/or pedagogical innovation.

Opportunities for practical learning are provided by a faculty rich in accounting experience. DSU Accounting students have been involved in a number of accounting projects for local businesses. The accounting department established an “accounting incubator” that provides their students with opportunities to analyze and advise local businesses. All accounting students also have the opportunity to sharpen their tax preparation skills through participation in the Volunteer Income Tax Assistance (VITA) program.

Mission
The mission of the Udvar-Hazy School of Business at Dixie State University is to prepare its students for successful employment, advanced learning, and service to community. We are committed to providing an environment that embraces experiential learning, stimulates academic excellence, and incorporates ethical considerations.

Baccalaureate Programs
Students who pursue the Bachelor of Science in Accounting degree at Dixie State University take a variety of Accounting courses as well as learn the ability to track or record business transactions and provide the information that managers need to make informed business decisions. Students also get involved in learning tax implications for individual and business entities. Students in this major take a series of Accounting requirements including Financial and Managerial Accounting, Cost Accounting, Tax Accounting I & II and Auditing, among others. The degree is also an excellent choice for students wishing to pursue a Master of Accountancy (M.Acc.) degree.

Program Goals
1. Provide students with core business knowledge and skills that enable attainment of advanced business degrees and success in a rapidly changing, competitive environment.
2. Develop students’ awareness of and analytical and decision-making skills regarding business ethics.
3. Establish partnerships with the community and alumni to produce an education that responds to local and industry needs and affords valuable, applied learning opportunities, and community engagement.
4. Employ highly qualified faculty members who foster open, innovative, analytical, and student-focused learning environments. Support academically and professionally active faculty who model continuous improvement in their practice and service.
Student Learning Outcomes

1. A working level knowledge of the core functional areas of business:
   a. Students will demonstrate a working level knowledge of core business functions in accounting, economics, finance, information systems, international business, legal and social environment, marketing, and management.
   b. Students will analyze a complex business situation, identify relevant functional business issues and suggest viable courses of action.

2. The ability to apply higher levels of critical thinking:
   a. Students will process a complex business situation, utilize qualitative and quantitative analysis, and synthesize to develop sound alternatives for action.

3. The interpersonal and communication skills necessary to succeed in business:
   a. Students will deliver professional quality oral presentations.
   b. Students will prepare professional quality written presentations.
   c. Students will identify the essential elements of successful teamwork and will reflect upon their competency and experience in applying them.

4. The ability to identify and resolve ethical issues:
   a. Students will analyze a complex business situation, identify relevant ethical issues, and suggest ethical courses of action.

Admission Requirements

To be considered for admission to a School of Business program, an applicant must first be accepted as a Dixie State University student. Advanced standing status must be obtained prior to enrollment in any Business program course numbered 3000 or higher. Students will need to meet with a business advisor and submit an Application for Advanced Standing prior to taking 3000 or above level business courses. The Udvar-Hazy School of Business allows one semester of conditional advanced standing during which students can start taking 3000 or above courses while completing pre-business requirements in that semester.

To apply for advanced standing a student must:

1. Complete the following pre-business courses with a minimum grade C- in each and an overall Business GPA of at least 2.5 unless otherwise indicated:
   - ACCT 2010 Financial Accounting 3
   - ACCT 2020 Managerial Accounting 3
   - CIS 2010 Business Computer Proficiency 3
   - COMM 1020 Public Speaking 3
   - or COMM 2110 Interpersonal Communication 3
   - ECON 2010 Micro Economics 3
   - ECON 2020 Macro Economics 3
   - MATH 1100 Business Calculus 3
   - STAT 2040 Business Statistics (STAT 2040 is 4 credits; MATH 1040 is 3 credits) 3-4
   - or MATH 1040 Introduction to Statistics 3

2. Submit an application for advanced standing with the business advisor during the semester prior to completing pre-business courses. An application for advanced standing will be submitted during a personal appointment with one of the School of Business advisors:
   a. Katie Adolpho
      Appointments
   b. Van Mangus
      Appointments

Conditional acceptance may be granted if all remaining pre-business courses can be taken during the semester of conditional acceptance. If a student does not complete the remaining lower division credits successfully (while earning a minimum C- grade in each course, unless otherwise indicated, and maintaining a 2.5 pre-business GPA and a 2.0 overall GPA), conditional advanced standing will be revoked. Students with revoked conditional advanced standing will not be allowed to take any further upper-division courses until all pre-business courses are completed and the minimum GPA standards have been met.

Transfer students must also ensure that official copies of all transcripts have been sent to the Dixie State University Registrar's Office.

The application criteria listed above DO NOT GUARANTEE ACCEPTANCE, but are indicative of the minimum qualifications of students seeking acceptance to, or advanced standing in, the Business program baccalaureate programs.
