Piano Proficiency ²

¹ No course can be used to fulfill more than one requirement. The conducting course not used to fulfill the 2-credit Music Education conducting requirement may be used in partial fulfillment of the 11-credit requirement.

² Music majors are required to complete the Department's Piano Proficiency during the first two years of study. Completion of the Piano Proficiency is a prerequisite to Junior-level private lessons. A placement exam is administered during the first week of classes each semester. Students enroll in group piano courses (MUSC 1150, 1160, 2150, and 2160) to fulfill the requirements. Once the proficiency is passed off students are not required to enroll in group piano. Enrolling in private lessons is not an acceptable solution to achieving proficiency.

Notes:

1. No more than 4 credits of private lessons may be transferred from another institution.
2. No more than 4 credits of ensembles may be transferred from another institution.
3. Each private lesson course may be repeated up to 2 credits.
4. Each ensemble course may be repeated up to 8 credits.
5. Students are limited to no more than 3 ensemble courses per semester.
