Dixie State University is fortunate to have a number of scholarship programs available to students. Academic Freshman and Transfer Scholarships do not require an application. All other scholarships do require a separate application. DSU and affiliate scholarships and waivers cannot be combined to exceed the cost of tuition (with the exception of the Resident Presidential which also covers student fees). To be considered for Freshman scholarships a student must be fully admitted by March 1st. To be considered for Transfer scholarships a student must be fully admitted by July 1st.

Some of the DSU scholarships currently available include academic, student leadership, sterling scholars, alumni leadership, talent-based scholarships (athletic, fine arts), departmental, diversity/multicultural, community /local, and program-based.

To continue receiving a DSU scholarship after the first academic year, a student must enroll in and pass a minimum number of credits and maintain a minimum college GPA. Academic Resident Freshmen Scholarships: Presidential and Chancellor - 3.5 GPA and 15 credits per semester. Trustees, Deans and Merit - 3.2 GPA and 15 credits per semester. Students who fail to meet their academic scholarship requirements will lose their scholarship. Once an academic scholarship is lost you cannot earn it back. DSU policy requires a minimum GPA of 2.0 and full time enrollment (12 credit hours per semester) for other DSU scholarships. Departments may require higher standards as outlined in individual award notifications. Information about specific scholarships (<https://financialaid.dixie.edu/scholarships>).
