DSU Online, Online Courses & Programs

Website:	http://online.dixie.edu
Phone:	(435) 879-4653
Email:	online@dixie.edu
Office:	Holland Centennial Commons (HCC), Suite 320

Whether beginning your college education or looking to finish what you started, DSU Online provides a flexible path to help you reach your goals. A wide range of course options are available online, blended (mix of online and on campus), or in other digital formats.

Flexible. Active. Real-world.

DSU's online courses are designed to incorporate active learning, providing you an opportunity to actively apply what you learn to real-world challenges and tasks. These learning activities are available from anywhere, at anytime - allowing you the flexibility that life requires.

Online Programs

In addition to individual courses, complete degree or certificate programs are also available online, allowing you to complete a certificate or degree without ever coming to campus. However, don't let that keep you from stopping by.

For additional information, please visit DSU Online (<http://online.dixie.edu>).
