DSU currently sponsors 15 intercollegiate athletic programs, including six men’s sports (baseball, basketball, cross country, football, golf, and soccer) and nine women’s sports (basketball, cross country, golf, soccer, softball, swimming, tennis, track and field, and volleyball).

We strive to help student-athletes define, shape, and achieve educational and life goals, contributing to the University’s personalized and excellent teaching in a learning environment where all student-athletes can become passionate about their individual educational and athletic endeavors. Athletic teams and programs are designed to fuel students’ desire to succeed on their various fields and courts of play, excel in the classroom while progressing toward achieving academic success, all while becoming and serving as outstanding and exemplary members of the community. In essence, we strive to build champions in the classroom, in athletic competition, in the community, and in life.
