Our Mission

The Multicultural and Inclusion Center (MIC) is a student support service established to increase diversity at Dixie State University via the recruitment and retention of students from diverse backgrounds and the enrichment of campus life through cultural and awareness activities. The MIC accomplishes this goal through scholarship opportunities, community outreach, academic advisement, and diversity club participation.

The MIC operates under the principle that every person’s unique life experiences enrich campus life and adds a profound element to a true education. We invite ALL DSU students to participate in the MIC events, to promote diversity, and to celebrate their own cultural identities as well as those of others. Again, the MIC is open to all students. Please take your time to explore our website and feel free to contact us with any questions, concerns, or suggestions. We also invite you to stop by the MIC to further see how we can assist you.

- Advisement: Applying for admission to DSU, registering for classes, financial aid/scholarship assistance, student advocacy

Scholarships

Dixie State University recognizes that a culturally diverse student body benefits and enriches the educational experience of all students, faculty and staff. Thus, we strive to assist students who will enrich our cultural diversity and make every attempt to support their academic success.
