Registrar's Office
The Registrar's Office is responsible for helping students with all aspects of registration and for student records, including enrolling in classes, adding and dropping classes, withdrawing, evaluating transfer credits, providing veterans services, issuing Dixie State University transcripts, conducting degree audits, and approving students for graduation. Students can perform many of these functions online through the online campus registration system (accessed by clicking “myDixie” on the University web page (https://my.dixie.edu)).

The Registrar's Office maintains a Frequently Asked Questions website to assist students.

Registering for Courses
To register for classes at DSU, students:

1. Must apply and be fully admitted to Dixie State University.
2. Must verify that all financial obligations to the University have been cleared.
3. Should meet with an Academic Advisor each semester to review the Degree Works audit and to verify their progress toward completion.
4. Log into the myDixie (https://my.dixie.edu/) account:
   a. View the online Course Schedule.
   b. Select classes that fulfill General Education and/or major requirements first.
   c. Check placement / prerequisite requirements.
   d. Work out a tentative schedule.
   e. Add classes online under Registration.

Freshman Registration and Orientation
(including former High School Concurrent Enrollment Students)

All new freshmen registering for their first semester are required to:

1. Complete Pre-Orientation course
2. Register for and attend Freshman Orientation

Freshman Orientation will be held throughout the summer. Students will receive vital information about campus resources, student services, student activities, athletics, and DSU traditions. This is a great chance to meet new people, have some fun, and get acquainted with DSU.

For more information on Freshman Registration & Orientation, please go to Freshman Orientation (https://orientation.dixie.edu/) website or contact the Student Success (studentsuccess@dixie.edu) office.

Student Responsibility
It is a student's responsibility to verify the accuracy of their schedule before the add, drop, and fee deadlines each semester.

Students may check their own class schedules

• Online in myDixie
• At the Academic Advisement Center
• At the Registrar's Office
Adding Classes

- Students should register for classes as soon as possible because space is limited.
- Students may add classes once registration has been opened for their class level (senior, junior, etc.) through the 5th day of that semester.
- To add a class after the 5th day of the semester, students must submit an ADD card with the instructor’s signature to the Registrar’s Office.
- No class may be added after the end of the 4th week of the semester.
- An instructor’s signature on an ADD card will NOT override placement/prerequisite criteria. To override those requirements, the additional signature of the appropriate department chair or dean is required. Program chairs and deans are listed in the academic program section of this catalog.

Waitlisting Full Classes

- If a class is full (listed as “C” or closed), and a Waitlist seat is available, a student may choose to be Waitlisted online in the student registration system.
- The student will be notified if/when a seat becomes available in the class. The notification is sent to the student’s Dmail account, and the student has 24 hours to add the course.
- After the 24 hours, if the student has not enrolled in the course, the student is automatically dropped from the Waitlist for that class.
- Once dropped from the Waitlist, the student must re-select the Waitlist option for that class and begin the process again.
- The Waitlist is available through the 4th day of the semester.

Dropping Classes

- Students may drop classes online through the end of the 8th week of the semester via myDixie.
- If a course has a corequisite, a student cannot drop one class/lab and remain enrolled in the other class/lab.
- Dropping a class or classes may affect a student’s financial aid.
- A $10 fee per class is assessed for students dropping a course after the first week of the semester.
- No refunds are given for classes dropped after the end of the 3rd week of the semester. Classes dropped after the 3rd week of the semester will be marked with a “W” grade on the transcript.
- Individual class(es) may not be dropped after the 8th week of the semester.
- Students with extenuating circumstances may request a Complete Withdrawal from the University through the 12th week of the semester. (See Complete Withdrawal below (p. 10))

Auditing Classes

Auditing enables a student to attend a class without receiving a grade or credit. A student who chooses to audit a class must pay all applicable tuition and fees, but no grade or credit will be issued. Once a student has requested a class be changed to audit status, a grade of “AU” will be issued.

- A student may enroll in a class as an audit according to the ADD deadlines and procedures.
- A student already enrolled in a class may change that class to an audit through the end of the 1st week of the semester.
- A fee will be charged for changing a course to audit status beginning the 2nd week of the semester.
- The request for audit status cannot be reversed.
- Students should determine the impact changing a course to “Audit” will have on their financial aid.

Administrative Drops

A student may be administratively dropped from a class or all classes for the following reasons:

1. Not attending on the first day of a class without receiving permission from the instructor.
2. Registering in courses for which the prerequisites have not been met.
3. Neglecting to pay all tuition and fees by the tuition due date.
4. A registration hold was overridden incorrectly.
5. As part of disciplinary sanctions imposed through the Student Code.

IMPORTANT NOTES: There is no guarantee a student will be dropped for non-attendance or non-payment.

- It is a student’s responsibility to drop classes they do not attend and to verify the accuracy of their class schedule.
- Not all instructors drop students who never attend a class, although they are encouraged to do so.
- Administrative drops may affect minimum load requirements, financial aid status, graduation requirements, or other areas.
• Once a student registers for a class, tuition and fees are assessed, even if the student does not attend any class meetings.
• Registering for a class but never attending will impact a student’s financial aid eligibility.

**Administrative Drops for Non-Payment**

Tuition and fees are due the 1st day of the semester. Students who have not paid or applied for the tuition payment plan may have their classes dropped for non-payment.

When an account is not paid in full by the corresponding deadline, the student may be "dropped for non-payment", meaning all classes will be dropped. Students whose schedule is canceled will be allowed to re-register on a space-available basis only. Reinstatement into one's original schedule may not be possible.

**Complete Withdrawal from the University**

A student who experiences serious personal issues (medical, psychological, financial, family, etc.) can request a complete withdrawal from **all** classes through the end of the 12th week of the semester.

• Complete withdrawal must be from **ALL** classes, not an individual class or classes.
• Complete withdrawals may be requested by filling out the online Complete Withdrawal (https://registration.dixie.edu/complete-withdrawal-form/) form or by filling out the Complete Withdrawal form at the Registrar’s Office.
• Complete withdrawal may affect a student’s financial aid. Any possible refunds for a complete withdrawal are issued according to the deadlines published in each semester’s academic calendar.

**House Bill 60 (H.B. 60)**

Utah residents age 62 or older are eligible to enroll in Dixie State University classes under House Bill 60 (H.B. 60) regulations:

• Admission application is required.
• One-time, non-refundable admission fee of $35.00 is required.
• If no students are waitlisted for the class, an instructor can sign an H.B. 60 ADD card beginning the first day of class, on a space available basis.
• Submit signed H.B. 60 ADD card to Registrar’s Office.
• Pay $25 fee plus any course or lab fees.

H.B. 60 students audit courses. No credit or grades are issued for H.B. 60 enrollment. Some classes are not available under H.B. 60, including but not limited to all computer and fitness classes.

Faculty are prohibited from adding a H.B. 60 student to any class that has students waitlisted for that course until after the last day for waitlist.

Credit by Examination

Dixie State University awards credit for competencies as measured by standard examinations, such as the Advanced Placement program (AP) and the College Level Examination Program (CLEP). Specific exams, subject areas accepted, the minimum score requirements and the amount of credit granted are posted below.

Conditions for receiving credit by examination:

• Students must be admitted and currently enrolled at Dixie State University to receive any credit by examination.
• A fee is assessed for posting credit by examination to a transcript.
• Credit may not be received more than once for the same course.
• **If a student has ever received a grade, including a “W”, in a course for which credit by exam is awarded, the credit by exam option is no longer available. Credit by exam cannot replace a course grade.**
• All credit received for examinations is graded “P” (Pass).
• Credit earned by exam can be used to fulfill General Education requirements as appropriate.
• DSU will award no more than a combined maximum of 30 total credits for the following:
  • Advance Placement credit (AP)
  • College Level Examination Program credit (CLEP)
  • Foreign Language Achievement Testing Services credit (BYU FLATS)
  • International Baccalaureate credit
  • Dantes Subject Standardized Tests (DSST)

Advanced Placement (A.P.) Credit is awarded to students who complete high school advanced placement courses and successfully pass the A.P. exam with a score of three (3) or higher according to guidelines found in Utah Board of Regents policy R470. The credits earned will be graded “P” and will not be included in GPA calculations. Credit is posted to the student’s transcript when official A.P. exam results are submitted to the Registrar’s Office with a receipt from the Cashier’s Office showing payment of the posting fee. A.P. exam credit cannot be accepted if the student has ever received a grade in that course.

A.P. exam scores and course(s)/credit are awarded as follows:

* **NOTES:**
1. A student cannot receive credit for both English A.P. exams. Students with passing scores on both English Language & Composition and English Literature & Composition will be given credit only for the English Literature & Composition exam (ENGL 1010 + ENGL 2200).
2. A student cannot receive credit for both the Spanish Language & Culture and Spanish Literature & Culture exams.

**CLEP Credit** is awarded based on proficiency demonstrated by a CLEP exam score. A student will receive ungraded course credit, which may fulfill General Education requirements or provide elective credits, using the following procedures and guidelines:

- After a CLEP exam is taken, the exam score is assessed, and ungraded credit is granted according to statewide and departmental agreements and DSU policy.
- This credit is posted to the student’s transcript when CLEP test results are submitted to the Registrar’s Office with a receipt from the Cashier’s Office for the posting fee.
- **CLEP exam credit cannot be accepted if the student has ever received a grade in that course (including a 'W').**

The minimum level of CLEP test proficiency and course(s)/credit are awarded as follows:

DSST Credit is awarded based on proficiency demonstrated by a DSST exam score. A student will receive ungraded course credit, which may fulfill General Education requirements or provide elective credits, using the following procedures and guidelines:

- After a DSST exam is taken, the exam score is assessed, and ungraded credit is granted according to statewide and departmental agreements and DSU policy.
- This credit is posted to the student’s transcript when DSST test results are submitted to the Registrar’s Office with a receipt from the Cashier’s Office for the posting fee.
- **DSST exam credit cannot be accepted if the student has ever received a grade in that course (including a ‘W’).**

The minimum level of DSST test proficiency and course(s)/credit are awarded as follows:
