Admission Requirements

Students must be admitted to Dixie State University including submitting previous college transcripts to the Registrar's Office before they will be considered for admission to the Communication Studies program. Departmental approval is required prior to formally declaring communication as a major. Students are admitted to the Communication Studies baccalaureate program upon completion of the following admission requirements:

1. Cumulative GPA of 2.0 (C) or higher
2. Completion of a Communication Studies Program admission application
3. Consultation with a Communication Studies Advisor

Students may self-declare "pre-Communication Studies" (BS-CMST-P) as their major before completing the consultation with a Communication Advisor.

Advisement

Students will consult with the Communication Department advisor who will review the student's current academic status, explain degree requirements, and assist in creating a degree completion plan. Students must submit a program admission application with their advisor to declare a major. Upon nearing degree completion, the student must again meet with the advisor to go over the graduation checklist and sign the graduation audit. Advisors provide an important resource in helping to stay on track toward academic goals throughout the Communication course of study.
