

Population Health - Long Term Care Administration Emphasis, BS

Program Description

The Utah Tech Population Health Program develops a comprehensive framework that prepares students to successfully enter a career in the health industry or attend graduate school through an active learning environment that supports inter-professional education, innovative thinking, community engagement, and evidence-based practices.

Emphases within this degree program include:

- Healthcare Administration
- Public Health
- Long-Term Care Administration

Professional Licensure/Certification (PLC) Requirements

The curriculum for programs at Utah Tech University leading to professional licensure are designed to prepare students for Utah licensure and certification requirements. Admission into programs for professions requiring licensure and certification does not guarantee that students will obtain a license or certificate. Licensure and certification requirements are set by agencies that are not controlled by or affiliated with the University, and licensure and certification requirements can change at any time.

Licensure boards in each state establish requirements for licensure and certification for their respective state. States vary by which professions are required to be licensed and how licensure functions, and such requirements may change at any time. The terms related to licensure and certification, among others, also vary by state as well.

Students and prospective students are strongly encouraged to contact the state licensure entity in the state where they intend to work to review all licensure and certification requirements imposed by the student's state(s) of choice. The University cannot provide verification of a student's ability to meet licensure or certification requirements unrelated to its educational programming. Some states require individuals to complete additional requirements that are unrelated to educational prerequisites. For more information, visit the State Authorization and Professional Licensure (<https://academics.utahtech.edu/state-authorization/>) web page and select the program, or speak to the director of the program.

Utah Tech University shall not be held liable if a student is unable to qualify for licensure or certification in any jurisdiction.

This disclosure is made pursuant to 34 CFR §668.43(a)(5)(v)(C).

Program Curriculum

120 credits

Utah Tech General Education Requirements

All Utah Tech General Education requirements must be fulfilled. A previously earned degree may fulfill those requirements, but courses must be equivalent to Utah Tech's minimum General Education standards in American Institutions, English, and Mathematics.

General Education Core Requirements (catalog.utahtech.edu/programs/generaleducation/#gerequirementstext)

Code	Title	Hours
English		3-7
Mathematics		3-5
American Institutions		3-6
Life Sciences		3-10
Physical Sciences		3-5
Fine Arts		3
Literature/Humanities		3

Social & Behavioral Sciences	3
Exploration	3-5

Population Health Core Requirements

Code	Title	Hours
Choose one (1) of the following:		
BIOL 1200	Human Biology (LS)	3-9
or BIOL 2320 + BIOL 2325 + BIOL 2420 + BIOL 2425		
Choose one (1) of the following:		
CHEM 1010	Introduction to Chemistry (PS)	3-5
or CHEM 1110 + CHEM 1115, or CHEM 1150 + CHEM 1155 or CHEM 1210 + CHEM 1215		
Choose one (1) of the following:		
FSHD 1500	Human Development Lifespan (SS, GC)	3
or PSY 1100	Human Development Through Lifespan (SS, GC)	
Choose one (1) of the following:		
FSHD 1020	Sci Foundations of Nutrition (LS)	3
Complete the following courses:		
HLOC 1000	Medical Terminology	2
HLTH 2010	Health & Disease	3
HLTH 3010	Population & Community Health	3
HLTH 3020	U.S. & World Health Systems	3
HLTH 3750	Health Determinants & Disparities	3
HLTH 4010	Biostatistics & Epidemiology	3
HLTH 4030	Leadership & Group Dynamics	3
HLTH 4400	Health Law & Ethics	3
HLTH 4600	Health Economics	3
HLTH 4800	Health Policy	3
HLTH 4910	Population Health Capstone	3
ISA 2010	Proficiency in Excel & SQL	3
MATH 1040	Introduction to Statistics (MA)	3
or STAT 2040	Business Statistics	
MATH 2050	Applied Statistics with Programming	3
MGMT 3300	Human Resource Management	3
MGMT 3400	Management & Organizations	3

Long Term Care Administration Emphasis Requirements

Code	Title	Hours
FSHD 1010	Introduction to Adult Development and Aging	3
FSHD 3000	Death and Dying	3
FSHD 3120	Aging: Adaptation and Behavior	3
HLTH 3040	Environmental Health	3
HLTH 4700	Nursing Home Administration	3
HLTH 4710	Residential Care Administration	3
HLTH 4720	Home and Community Based Services	3
HLTH 4930R	Long-Term Care Residency I	3
HLTH 4940R	Long-Term Care Residency II	3
HLTH 4750	National Long-Term Care Certification Exam Preparation	2

Long Term Care Administration Emphasis Elective Requirements

Code	Title	Hours
Complete five (5) credits from the following:		
COMM 3180	Provider and Patient Relations	3

or COMM 3200	Community Health Communication	
or COMM 3230	Health Communication	
FSHD 2045	Physical Activity, Nutrition, & Health in Aging	3
HLTH 2700	Consumer Health Issues	3
HLTH 3310	Health Promotion	3
HLTH 3600	Patient Navigation	3
HLTH 3800	Genetics & Disease	3
HLTH 3900	Infectious Disease	3
HLTH 4020	Research Methodology in Population Health	3
HLTH 4500	Global Health	3
MGMT 3600	Operations and Supply Chain Management (ALPP)	3

Graduation Requirements

1. Complete a minimum of 120 college-level credits (1000 and above).
2. Complete at least 40 upper-division credits (3000 and above).
3. Complete at least 30 upper-division credits at Utah Tech for institutional residency.
4. Cumulative GPA 2.0 or higher.
5. Minimum C- grade in all required courses and required elective courses.
