

# Theatre - Design/Technical Emphasis, BA/BS

## Program Description

The Utah Tech State University Theatre program provides the tools for students to become well-rounded artists, scholars, educators, and lifelong learners. This is realized by combining comprehensive theatrical training with a strong liberal arts curriculum. Through its production season, this program gives the students a range of design, technical, and performance opportunities. It also provides the general student body and community with historically, socially, and culturally diverse theatrical experiences.

## Program Curriculum

**120 credits**

### Utah Tech General Education Requirements

All Utah Tech General Education requirements must be fulfilled. A previously earned degree may fulfill those requirements, but courses must be equivalent to Utah Tech's minimum General Education standards in American Institutions, English, and Mathematics.
